

MEMORANDUM FOR: Deputy Director, National Foreign  
Assessment

Herewith a draft memo summarizing this month's NIO output as you requested. It is presented so that the DCI can, if he wishes, send it to his customers. When I return from leave (12 February), you and I should probably discuss this matter with the DCI.

This is based on meetings held 15-19 January. If it were up to date, the Saudi problem would be at the top of the list.
